<b>SECTION B: Reflection on the use of AI (30 Marks)</b>		
Prompting and output history (chat logs) are provided	2	
<b>Transparency and specificity-</b> the reflection includes specific descriptions of how AI was used. (Example: "We used ChatGPT" is vague compared to "We used chat GPT to iteratively generate user stories, we provided XYZ as context to the AI model which resulted in... ")	10	
<b>Depth of reflection</b> - the reflection critically engages on the role of AI in RE activities. Relevant course concepts are discussed, and the reflection <i>evaluates</i> the effectiveness of AI in terms of metrics that are logical, such as but not limited to accuracy of the output, quality of the output, etc.	10	
<b>Ethical Awareness and Responsible Use-</b> The reflection acknowledges key dangers of working alongside AI, such as overreliance, etc.	5	

Quality of Writing - clear, logical, free of spelling and grammatical errors	3
